**HELP YOUR HERD BUILDING PROGRAM BY BUYING IN THE
EDNA-MAE FARMS SHORTHORN DISPERSION SALE
"Middle-of-the-Road Type Cattle"**

SATURDAY, NOVEMBER 15th – 1:00 P.M.

At the Farm, 2½ miles north on Highway No. 57

CARL JUNCTION, MISSOURI

SELLING

13 BULLS

34 FEMALES

The weighty influence of such bulls as Dreadnaught Wrangler, Edellyn Baron Command, Strowold Favorite Count, Imported Uppermill Lochter and the present herd sire, Imported Elvin Duthie, figure prominently in this offering. If you like good Shorthorns with rich, Scotch pedigrees topped by close-up imported breeding, then this sale will appeal to you. Other business interests make it necessary that this entire herd, established since 1918 by the present owner, now be sold in complete dispersion.

13 BULLS – including the two-year-old imported herd sire, Elvin Duthie, one of the top young imported in dam bulls to be sold this year. He is sired by Cruggleton Elvin and out of a dam by Ascreavie Duthie. The senior yearling show bull, EM Favorite Mercury, that has been grand champion bull at the Ozark Empire Stock Show for the past two years. He is one of the two sons of the Ozark Empire grand champion, Strowold Favorite Count selling in this sale. Four yearling sons of Uppermill Lochter, sire of the 1949 Illinois State Fair reserve grand champion female, and often referred to as one of the hottest bred bulls in America. One of these young bulls, EM Lochter 4th was reserve grand champion at Springfield this year. Other young herd bull prospects by Brusally Royal Leader 2nd, Millhills Excellent, Leader's Topper and Parkdale Fame.

34 FEMALES – impressive in individuality and breeding. 12 daughters of Strowold Favorite Count, including EM Roan Lady, champion female at the Ozark Empire Stock Show for two years straight and out of a granddaughter of Edellyn Campeon Mercury, five daughters of Uppermill Lochter, the bull Les Mathers selected in Scotland. His sire is a half brother to Edellyn Royal Leader and imported Norseman. Other females sired by Strowold Favorite Major, Bugler's Champion, Goldfinder Union Jack, Edellyn Baron Command, Sni-A-Bar Bondsman and an outstanding red junior heifer calf by the \$6,000 Crieffvechter Beacon. *5 cows with calves at foot, 22 bred cows and heifers close to calving to the services of Imported Cruggleton Elvin. 7 Open heifers, including several real show prospects.*

Here is a set of cattle that it is a pleasure to recommend to the breeder that produces show cattle as well as to the commercial cattleman. Remember everything sells.

HORN *Dispersion Sale*

FROM THE OWNER

We cordially invite you to attend our Dispersion Sale here at Edna-Mae Farm, November 15th. We've been striving to produce a useful middle of the road type of cattle that will please the breeder that produces show cattle as well as the commercial cattleman.

We feel that the bulls we have used have gone far in reaching this goal.

The herd has been culled from time to time. We have only kept top bred, good producing, good milking females in our breeding herd. The breeding herd is kept under ordinary farm conditions, maintained on grass, silage and hay.

The cattle for the most part will sell just off the pasture, that will enable the purchaser to buy them at prices, where they are sure to make him money.

Other business interest have made it necessary that we sell both our farm and our Shorthorns. As you can well guess this was a tough decision for us to make because we have been breeding registered Shorthorns since 1918 when we started at Cordell, Oklahoma. We have always used top herd bulls and we believe that we have always been more particular than the average buyer when it came to the selection of outstanding females with choice Scotch pedigrees.

One of our early bulls was the son of Fair Acres Sultan, and he was one of the best, out of a dam by Choice Goods. We bought some of the top cattle out of the Deggner Dispersion many years ago at Albany, Missouri and everyone knows how well these cattle did for all that purchased them.

We can truthfully say that every lot that we are selling in this sale has been carefully hand picked because it was just a year ago that we held a reduction sale.

We are mighty proud of the young imported bull, Elvin Duthie, from the looks of his first calves, he could easily be one of the best breeding bulls in the business.

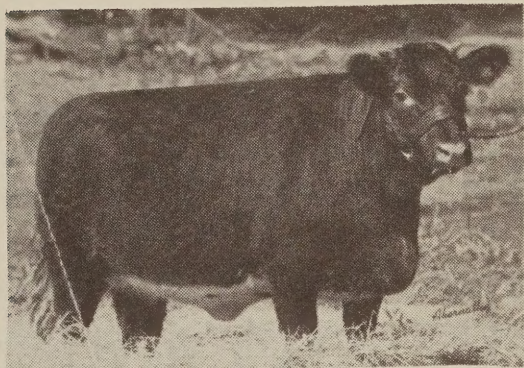

Our cattle have always been very close to our hearts, and selling them is doubly hard because of our faith and confidence in the future of the Shorthorns business and the realization that the best place to have your money invested today is in good land and in good livestock.

In closing, I hope you will honor us by attending our dispersion sale.

Former Herd Sires

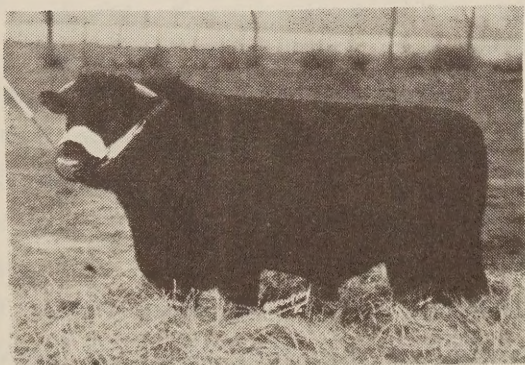

DREADNAUGHT WRANGLER

DREADNAUGHT WRANGLER

A great show and breeding bull by the many times grand champion Dreadnaught Salute. His dam by Imp. Cudham Dreadnaught was a great show cow of her day that probably never stood lower than third in her class at major shows, she was a very typy, low set, deep, thick cow, that might defeat the great Belle of Leveldale in today's shows. Wrangler himself stood third in a strong class of sixteen at the American Royal. The champion, Divide Sensation, headed this class.

EDELLYN BARON COMMAND

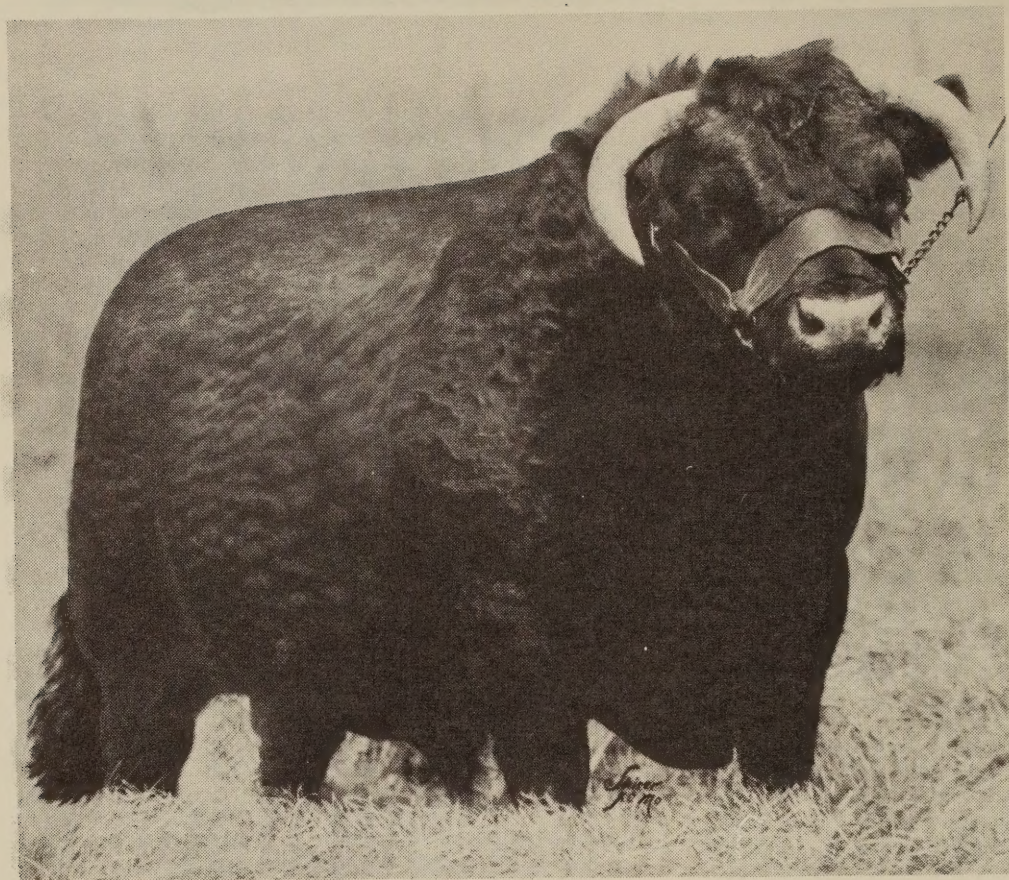

A half brother to the sire of Tomahawk, international champion steer by Imp. Edellyn Command, proved an excellent sire in our herd. There will be 10 of his beautiful daughters selling in this sale that are the right type, deep fleshed and good milkers. His dam by Browndale Standard, was the top selling female in the late Ed Logsdon dispersion sale, and the granddam being the second top.

STROWOLD FAVORITE COUNT

Reference Sire A

STROWOLD FAVORITE COUNT is just the kind of a bull as his picture shows him, deep, thick and rugged, few bulls are smoother or better headed or heavier boned. Good cattlemen have called him one of the very best sons of Lawton Favorite. He has certainly proved himself a sire of good doing, good headed, uniform cattle of both sexes that are the real cattleman's kind. His dam, was a very typy, good milking cow by the great show bull Gaffer's Count, shown by W. C. Anderson & Son, West Liberty, Iowa. Her full sister in the Strowold herd has been producing top selling cattle for Reuben Strother of Bowling Green, Missouri.

Two sons and 12 daughters sell in this sale.

IMP. UPPERMILL LOCHTER — is a grand red bull, selected by Les Mathers from the James Durno herd of Scotland, for Ben Lake, Athens, Illinois, where he sired uniform, outstanding, dark colored calves, one of which was shown by Les Mathers and won reserve championship at the Illinois State Fair. He was used jointly in the Ralph Bivins herd in Illinois, where he also sired outstanding, top selling calves. The young calves by him in our own herd, I am sure you will agree are very pleasing. His sire Comet, and Edellyn Royal Leader and Imp. Norseman all by Coldoch Sensation, proved sensational sires for their owners. His dam, Lorraine, is a full sister to the great Scottish bull Leopold. You will note that every bull in his pedigree is an internationally known famous sire. Lochter has been referred to as one of the hottest bred bulls in America and is proving himself a great sire of both sexes.

We had the misfortune to lose this sire early this past year, however, 4 sons and 5 daughters sell in this sale.

ELVIN DUTHIE — is one of the top young Imported in dam herd bulls to be sold this year, being sired by the great Cruggleton Elvin and out of Ascreavie Duthie dam. Two of America's greatest sires, Cruggleton Allardice and Cruggleton Johnston are sired by Ascreavie Duthie. Elvin Duthie is deep red, grand headed, heavy boned, with loads of quality and character. A rare opportunity to buy a son of the great Cruggleton Elvin. We are told that the calves of Elvin Duthie in the herd of John Wiese at Charlotte, Iowa are very promising.

EM ROAN LADY — is very short legged, deep, thick, well balanced, mellow fleshed young cow that should have a calf at foot by Uppermill Lochter by sale day. Was champion at the Ozark Stock Show two years straight. And is a short aged junior calf. She stood well up in the class at the National Show at Kansas City. It is very rare that you have the opportunity to buy young cows of this type and quality. We doubt if there will be a better young cow offered this year. Her dam also selling in this sale very closely approaches the modern Shorthorn cow and her granddam by Edellyn Campeon Mercury is probably the greatest cow in Hartley Farms good herd at Baxter Springs, Kansas.

Memo

Please bring this Catalog with You

Comments by the Sale Manager

The Edna-Mae Farm has been fortunate in having many well bred herd sires in service since it was first founded in 1918. J. L. Early has always been a pedigree student and has followed closely all of the good herds and their productions. In going through the catalog you can see the results through the daughters of the bulls that have been used in the past.

The herd bull now in service, Elvin Duthie carries as fine a pedigree as can be written from the Scotch herd books.

The cow herd that sells has been very carefully culled in the past year. A few of the cattle selling have been fitted enough so that you can see their wonderful natural fleshing qualities and how they respond to good feed and care, and there are several good show prospects among some of the younger cattle being offered for the early shows next year.

I sincerely believe you can help your breeding program by buying in this sale and we shall look forward to seeing you at the Early Farm on November 15th.
